DINDI BLANCO 2019

GRAPE VARIETY: Albillo Mayor, Verdejo, Jerez (aka Plaomino Fino), Huerta del Rey, plus 5% other varietals

PRODUCTION'S AREA: Segovia(Castilla y León)

VINEYARD: 2.5 Ha.

EXPOSITION AND ALTITUDE: 900m above the sea level. The vineyard has been planted in 1988

Our climate presents a huge temperature´s excursion between night and day allowing a slow maturation of our wines.

SOIL: siliceous sandstones and limestone rock. We don´t use pesticides, herbicides, etc. and in the cellar we elaborate our artisanal wines avoiding invasive practices.

TRAINING SYSTEM: bush vines

DENSITY: 2.500 dry farmed vines per hectare **YIELDS:** 2.500kg/ha

HARVEST: Mid October, hand harvested.

VINIFICATION: This is a field blend and all the grapes have been processed together. Grapes are destemmed and macerated 8 hours with the skins. Fermentation occurs in barriques on the lees with stirring (battonage) for 6 months.

Not stabilized, unfined and unfiltered. Therefore the wine can throw some sediments.

AGEING PROCESS: 6 months in 225 and 300 lts used barriques (no new oak)

ALCOHOOL BY THE VOLUME: 13,5%

BOTTLES PRODUCED: 2.500 bottles (750ml)

Bottling date: April 26th 2020
