

„Crucial on achieving this light colored and fresh Rosé style is picking date“

Zweigelt Rosé Paper boats & twins 2020

Austrian Quality wine, Burgenland, dry

Our vineyard in the Cru Waldacker is about 1000m long. From the part with young Zweigelt vines on „Seewinkel“-gravel we vinified this Rosé. Exactly these stones are the reason for the strawberry and raspberry driven flavor profile.

Gently pressed without maceration on the skins, fermented under controlled temperature in tanks with short maturation on the fine lees, no malolactic fermentation.

Food pairing: as starter or just as refreshing glass of wine without food, Tramezzini, Salmon tarte.
