THE NEW WAVE GIRL 2021 (amphora)

GRAPE VARIETY: 100% Verdejo (macerated on the skins). The variety is at home in Rueda (Valladolid), Zamora and other district in Castilla y Leon.

PRODUCTION'S AREA: Zamora (Castilla y León)

VINEYARD: 2.5 Ha. This is a secluded area surrounded by old pine trees and sitting at 900 m above the sea level. The vineyard has been planted 60 years ago. Our climate presents a huge temperature's excursion between night and day allowing a slow maturation of our wines.

SOIL: Limestone, rolling stones and clay soils. We don't use pesticides, herbicides, chemicals, etc. The vineyards are trained with uncertified organic techniques.

TRAINING SYSTEM: bush trained vines (gobelet)

DENSITY: 3.500 dry farmed vines per hectare **YIELDS:** 3.500kg/ha

HARVEST: Mid September, hand harvested.

VINIFICATION: in the cellar we elaborate our artisanal wines avoiding invasive practices. Spontaneous fermentation triggered by indigenous yeast only. The 30 days long fermentation is carried with skin contact in a century old clay pot made in Colmenar de Oreja. The wine clarifies itself with the cold night temperatures in Cuellar. Unfined unfiltered.

ALCOHOL BY THE VOLUME: 13,5%

BOTTLES PODUCED: 2.000 bottles (750ml). The wine has been bottled in March 2022

Malaparte: Ruben and Elisa cultivate 5.5 ha of property vineyards located 3 km from the village of Cuellar, near Segovia. This is a family managed estate and attends the main national and international natural wine fairs, including RAW. Overall the production is around 20.000 – 25.000 bottles per year. The first harvest goes back to 2006. For more info visit [Malaparte Vinos – Steep Hill Wine](#)
